## COMPANY OVERVIEW

Elyrion Global Inc. is a veteran-owned holding company headquartered in San Antonio, Texas, delivering scalable solutions across healthcare transportation, facilities support, grounds maintenance, administrative operations, and specialized consulting services for federal, state, municipal, healthcare, and commercial clients.

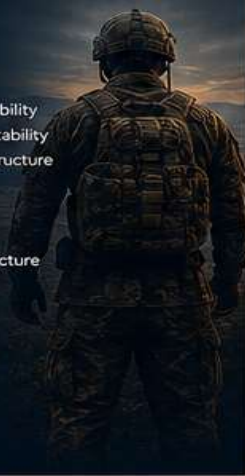

Built upon the principles of military leadership, accountability, adaptability, and mission execution, Elyrion Global Inc. was founded with a commitment to delivering reliable, professional, and performance-driven solutions across multiple industries.

Our organization combines disciplined leadership with modern business strategy to support government agencies, defense-related operations, municipalities, commercial facilities, and strategic partners seeking dependable contract support and long-term operational excellence.

Elyrion Global Inc. is actively positioning itself to support federal procurement initiatives, subcontracting opportunities, and public-sector partnerships through a growing portfolio of specialized divisions designed for scalable deployment and contract execution.
